When we talk about progress tests at the B intermediate level, we're referring to assessments designed to evaluate learners? language abilities around the CEFR B1 benchmark. These tests often cover a range of skills including reading, writing, listening, and speaking. The corresponding answer keys provide the correct responses or model answers, acting as a benchmark for self-assessment or classroom evaluation.

### What Are Progress Tests?

Progress tests are formative evaluations given at intervals throughout a course or learning

program. Unlike ?nal exams, they focus on measuring how much material has been absorbed and applied over a certain period. For intermediate learners, these tests typically include:
